MEMORANDUM FOR : DPD/Personnel
ATTENTION :
SUBJECT : Trip Report on Detach-
ment H

1. Subject report is rather interesting, and oddly enough, rather all-encompassing. To be slightly facetious it is consoling to know that feels that the Admin and Finance departments "appear to be in good hands". Regardless of the enthusiasm which stimulated into this thorough report, I have a few comments which I think should be buttoned up.

a. Advise the Detachment of the permissibility of R and R to Japan. For your information, Colonel Beerli concurs but suggests that you get together with Security to work out an appropriate briefing to be given R and R's.

b. Vacation spots for leave, i. e. any restrictions.

c. A follow-up with Materiel Staff concerning the status of the five ton, 220 volt, airconditioner.

2. You might want to send a copy of this report to Jim Reber for his information.
